

KINDERSYN contains specially designed children's vegetable capsules with 26 vitamins, minerals, trace elements of natural origin and nutrients that support and assist the proper development and function throughout childhood.

It helps to meet the energy demands of the increased metabolism of the child along with its development needs, and provides coverage for the development and function of vital organs and systems of the body, such as the nervous, immune, etc., and ultimately fills the body's nutrients reserves.

DOSAGE:

1-3 capsules during meals or according to doctor's instructions.
 Ages 2-6: 1 capsule daily.
 Ages 7-13: 2 capsules daily.
 Ages 14+: 3 capsules daily.

Food supplements should not be used as meal replacements. Do not exceed the recommended daily dose.

DOES NOT CONTAIN:

Gluten, Wheat, Lactose, Preservatives, Dyes and Yeast.
 No added sugar.

ONLY FOR MEDICAL / SCIENTIFIC INFORMATION

KINDERSYN

Balanced mix of vitamins, minerals and nutrients in vegetable capsules for children for all the periods of childhood development.

KINDERSYN

Children have a high metabolic rate (3-4 times higher than adults). They have increased nutritional needs in order to function properly and to develop their bodies.

It is quite difficult to maintain the balance between protein foods, carbohydrates and fats, due to the popular use of 'snacks', fast food etc.

It is also hard to provide a healthy diet with all necessary nutrients. But even if this was possible, the nutrients are often rejected for various reasons (eg intolerance).

As a result, there is a lack of nutrients in the "warehouse" of the body. This in turn may increase the risk of physical and / or mental malfunction.

KINDERSYN supports the healthy development of the child, strengthens the organism, and enhances the development of the nervous and the immune systems thus contributing to the physical, mental, spiritual growth and the smooth functioning of the body.

COMPOSITION

Vitamin A (Acetate) 96,3 µg, Vitamin B₁ (Thiamine) 2,1 mg, Vitamin B₁₂ (Cyanocobalamin) 2,1 µg, Vitamin B₂ (Riboflavin) 1 mg, Vitamin B₃ (Nicotinamide) 4 mg, Vitamin B₅ (Calcium Pantothenate) 11,5 mg, Vitamin B₆ (Pyridoxine HCL) 2,1 mg, Citrus Bioflavonoids 2,1 mg, Biotin 6,4 µg, Vitamin C (Calcium Ascorbate) 25,5 mg, Calcium (Carbonate) 5,1 mg, Choline (Bitartrate) 1,4 mg, Folacin (Folic Acid) 17 µg, Inositol 2,1 mg, Iron (Gluconate) 427 µg, Magnesium (Carbonate) 5,1 mg, Manganese (Gluconate) 427 µg, Molybdenum (Ammonium Molybdate) 2,1 µg, PABA 2,1 mg, Potassium (Gluconate) 2,1 mg, Selenium (Methionine) 4,2 µg, Zinc (Gluconate) 632 µg, Chromium (Picolinate) 4,2 µg, Iodine (Potassium Iodide) 2,5 µg, Vitamin D₂ 0,321 µg (12,8 IU), Vitamin E (D-Alpha Tocopherol) 5,7 mg (Providing 5,7 mg of actual Tocopherol).
